October 21, 2014

The National Senior Citizens Law Center is a non-profit organization whose principal mission is to protect the rights of low-income older adults. Through advocacy, litigation, and the education and counseling of local advocates, we seek to ensure the health and economic security of those with limited income and resources, and access to the courts for all. For more information, visit our Web site at www.NSCLC.org.

Disability Rights Education & Defense Fund

Founded in 1979, by people with disabilities and parents of children with disabilities, the Disability Rights Education and Defense Fund (DREDF) is a leading national law and policy center, based in Berkeley, CA, dedicated to protecting and advancing the civil and human rights of people with disabilities. - Routine plan changes and disenrollments should be handled with Health Care Options. Many beneficiaries can use continuity of care to see their providers while a routine plan change or disenrollment is in process. Beneficiaries should contact their plan to make this request.
- Do not send personal health information or ID numbers through unsecured email. You can send an email request to the new inbox for a secure email from DHCS, and you can respond to that secure email with this information.
- You will receive a response to your request within 2 to 3 business days to confirm receipt and that DHCS is working on the issue. You will receive an email confirmation of the issue resolution.
- You may not receive specifics on the case itself if you are not the authorized representative or the beneficiary.

Medi-Cal managed care is mandatory

Cal MediConnect: Continuity of Care

If certain criteria is met, a Cal MediConnect plan must allow a beneficiary the right to maintain his or her current out-of-network providers and service authorizations at the time of enrollment for a period of

**Six (6) months for
Medicare**

**Twelve (12)
months for Medi-
Cal services**

Plans can provide extended continuity of care

Cal MediConnect: Continuity of Care

Criteria

1. Must have an existing relationship with the Provider
 - Must see **PCP provider** at least **once** in 12 months preceding enrollment in plan for non-emergency visit
 - Must see **specialist** at least **twice** in 12 months preceding enrollment in plan for a non-emergency visit

The plan must first use data provided by CMS and DHCS to determine pre-existing relationship. If relationship cannot be established through data, then plan can ask beneficiary to provide documentation of the relationship.

Cal MediConnect: Continuity of Care
